

## CHARACTER IN FICTION I LOVE THE MOST

**Mamatova Farogat Komil kizi**

Student of Kattakurgan branch of Samarkand State University

**Ro'ziyeva Nasiba Kenjayevna**

Assistant-teacher Kattakurgan branch of Samarqand state university

**Annotation:** This article describes the eighteen-year-old kid who serves as the main protagonist of the Harry Potter novels. He is a wizard and attends a magic school. The fact that he uses this talent to aid everyone sets him apart from other characters. and has a number of challenges in achieving this aim.

**Key words:** British, Ginny Elder Want, Voldemort, philosophers, bravery, magic, Harry Potter, and so forth.

J.K. Rowling is the author of "Harry Potter and the Philosopher's Stone." June 1997 saw the publication of this piece. There are seven books in the novel. Every novel has a unique plot progression. The story of the work's protagonist, Harry Potter, is a wizard. Furthermore, as of February 2018, the books had been translated into more than 80 languages and had sold over 500 million copies globally, making them the best-selling book series in history.

Due to his early parent-child separation, Harry Potter is raised by his aunt and uncle. Magic interests his parents as well. You are cordially invited to the Hogwarts School of Witchcraft. His life takes off with adventures after that. It dawns on him that he possesses magical talents. And he understands that Voldemort, the wizard, killed his parents on purpose. He also befriends people at Hogwarts. Ron and Hermione were the two. They work together to try and uncover the philosopher's stone's mystery. Harry finds a diary in the work's second book, which opens up enigmatic recollections. Additionally, Harry meets Ron's sister Ginny at this point. Their relationship is warm. However, Harry is the kind of person who keeps his emotions to himself. He adores mystique.

The mass murderer Azkaban's escape from the wizarding jail is told in the third book. It's also said that he might strike Hogwarts at any time. Harry battles with him. However, after learning that he is Azkaban's father who has vanished, she aids in his escape. Furthermore, he engages in combat with Woldemort, the play's most formidable adversary. In the work, Woldemort is also expertly portrayed as a terrible figure. Harry is noteworthy for his courage and intelligence in handling even the most difficult problems.

122/125 Words

Woldemort regains his power and flees from Woldemort in the fourth book of the novel. "Harry Potter and the Order of the Phoenix" is the title of the fifth book. Harry sustains a terrible injury in this scene. The events leading up to Dumbledore's demise are revealed in the sixth novel, Harry and the Half Blood Prince. by Harry's potion master, Snape. "Harry Potter and the Deathly Hallows" is the final book. This section states that an individual will become the owner of the Death if they possess the three items. These are the invisibility cloak, the elder desire, and the resurrection stone. Harry also intends to take down Voldemort and take control of death.

The attention to detail in the character descriptions and clothing details is another factor contributing to the work's popularity. Character is very crucial in fantasy literature. In light of this, the author attempted to craft aesthetically pleasing characters that are intriguing or nuanced. Characters and the main character comprise a literary work. Thus, a literary character's existence is a parasite connected to the presence of a man with specific literary functions; nevertheless, this relationship is not solely generated by the function's specification and necessitates special films that compel readers to accept a particular existential feature. In the work, each character has a distinct role to play. According to Rulings' "Harry Potter" literature, Harry is battling for justice.

#### Conclusion:

This analysis demonstrates that, in the case of Harry Potter, author J.K. Rowling succeeded in crafting a charming and sophisticated kind of character.
